## HIGHLIGHTS

Auckland received a special mention in the Lee Kuan Yew World City Prize 2016, for its urban transformation into a design-led city.

The Auckland Waterfront Plan won the Comprehensive Plans Category at the "Excellence on the Waterfront" awards in Washington D.C.

Artist procurement for design opportunities with Precinct Properties for Wynyard Quarter is in the final phase.

Auckland achieved its highest ever score in graffiti-free assets, reflecting proactive removal of graffiti by council contractors.

Council adopted the Community Facilities Network Plan, enabling our communities to access libraries, arts facilities, pools and leisure centres and community centres as Auckland continues to grow.
